PATH®
MAKING IT HOME

www.e

What does home mean to you? For many of us, home is a place where you can fe
relax, and enjoy time with friends and family. This is especially true during

Thanksgiving**,** when **home is the anchor** as we gather to share a meal with our lo
ones.

However, for the **53,000 people experiencing homelessness in Los Angeles**,
Thanksgiving is spent without a home of their own.

If you're thankful for your home this holiday season, we ask that you support the In
Feast. Your gift will help someone like Bertha move off the streets and into their ov
permanent home.

THE Imaginary FEAST

What is the Imaginary Feast?

The **Imaginary Feast** is PATH's oldest campaign that
supports our neighbors experiencing homelessness.

No big gala. No fancy clothes. The Imaginary Feast is about using our resources t
people off the streets and into permanent homes, instead of attending a fancy eve
